# ONE-OF-A-KIND

*program in the Orlando area that stresses*

**{aquatic safety}**

*for individuals with developmental disabilities.*

Quest Swims will:

Provide one-on-one training between your child and a certified instructor

Increase understanding that water can be dangerous

Provide fun approaches to water and swimming that align with the fascination children have with water

Decrease fear and aversion of water

All instructors will be under the supervision of Water Safety and Board Certified Behavior Analysts from Quest Kids.
