---

*Quest, Inc.,  
through quality and  
innovation, builds  
communities where  
people with  
disabilities achieve  
their goals.*

---

## Why Quest?

Quest is classified as a human services organization, established in 1963. Quest provides residential services through group homes and intensive care facilities. Quest Kids provides Applied Behavior Therapy to our young individuals with developmental disabilities. Project Search and our job coaches provide internship programs and opportunities which allow our individuals to work toward and hold a job. Quest's Camp Thunderbird allows our individuals the opportunity to play, giving their families and guardians respite.
